Number 10119, Priority Rank B070

Dear Mr. Hines:

I have completed a review of your March 11, 1997, report on the subject site. I found the descriptive text well done and succinct. Unfortunately, the drawings were not of the same quality. With future submittals, please insure that the drawings are uniformly legible. You may want to crop or reformat the drawings so they will fit onto a 11" by 14" fold-out.

Thank you for your co-operation.

Sincerely,

W. Waddell Watters
